SANTA CLAUS SET FOR DECEMBER 3

RED CROSS MEETING WEDNESDAY

Waco Representative To Discuss Plans; Blood Needed In Korea

An important Red Cross meeting is scheduled for October 31, according to Mrs. Agnes Lowe, chapter chairman.

The purpose of the meeting is to make plans to contact blood donars for the men in Korea. The lack of blood for the fighting men has become extremely acute and civilians are being called on to furnish blood for our men in Korea.

All directors, officers of the Red Cross and other interested persons are urged to be present at the meeting that will be held in the District Court Room at 2:30 p. m.

The Red Cross is making a sincere appeal for as many civilians as possible to make blood donations to such a worthy cause that may save the lives of many of our fighting men.

Mrs. Lowe said there will be a representative from Waco to speak at the meeting.

The general public has a cordial invitation to be present at the meeting. The discussions at the meeting will be vital to every one.

Much concern has been stressed in that civilians are not carrying their part of the load! our boys are fighting, surely we can furnish some blood.

Jaycees Discuss Home Rule Charter, Schiller Presides

At a meeting of the Jaycees, Monday night, October 22, Milton Schiller, past and charter president presided.

Mr. Schiller gave an informative report and discussion of the Home Rule Charter and how it would benefit the city. The Jaycees, presumably are planning to back an election that would give the city such a government, the kind it has needed for many years.

Under the old general form of government, progress of the city has been strangled for years and much expansion can be had with a Home Rule Government.

Jim Miller, co-chairman of Parade Committee for the coming Santa parade and program, discussed street lighting and decorations for the coming event.

District Governor

DR. RICHARD A. SELF

To Speak To Lions Club Tuesday

The Lions Club of Cameron will welcome Dr. Richard A. Self, District Governor of District 2-X, Lions International, which includes 136 clubs in this section of the state, on Tuesday, October 30.

Lion Self is one of the 243 District Governors who supervise the activities of the 8,809 Lions clubs. Lions International was founded in 1917 and during the past 34 years has become the largest, most active and fastest growing service club organization in the world.

There are Lions Clubs in 31 countries of the world with a membership of over 417,000. During the fiscal year of 1950-51, 880 new Lions Clubs were organized, a new club every 10 hours.

The Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the community and nation, and to help create and foster "a spirit of generous consideration among the peoples of the world." The slogan of the International Association of Lions Clubs is "Liberty, Intelligence, Our Nation's Safety."

Lion Self is an active unit of the International Association of Lions Clubs, which is dedicated to community betterment in all its aspects; to national and economic, social and cultural progress; and to the promotion of International understanding and amity.

In all these fields, Lions International has won strong influence and prestige, because of its many countless constructive services.

Cooperation Among Dog Owners Had In Rabid Enforcement

According to Alderman Robert Weems, the enforcement of the rabies control is coming along fine in the city.

Mr. Weems added that everyone is cooperating and only about six dogs have been impounded up to the present time. These reports are encouraging.

The following is a report from the State Department of Health Laboratory Division of positive for rabies animal heads for September 1951.

This report was compiled from our records by our Veterinarian, Kenneth S. Young, D. V. M., in an effort to show where rabies is by species and locality.

The month of September presents no significant features as to wildlife rabies. There are skunk rabies in Central Texas and also Southwest of Harris County and we know there is fox rabies in East Texas and in Central Texas around the Williamson County area We expect most of our trouble from next fall into spring in extreme East Texas, particularly the northern part and in Central Textral Texas in the region of Milam and Williamson Counties moving southwest.

Single cases of dog rabies often are the result of dogs being transported into a new area by car and are of little significance epidemiologically.

In farm, areas, the farmers almost always know when a rabid dog is in an area and take preventative measures accordingly. Thus, farm dog rabies can seldom be considered a factor in rabies spread, unless the dog population is unusually heavy and is neglected and uncared for.

Committees Appointed For Annual Christmas Parade And Program

At a recent meeting of the Trades Development committee of the Chamber of Commerce preliminary plans were mapped out for the Annual Christmas Parade and Program according to Mrs. Loretta Brock.

The big event is scheduled to take place Monday, December 3.

Tenative plans were made for the purchase of more street decoration materials that will help to bring out the yuletide motif for the city.

A number of committees were appointed to take care of the various divisions that go to make up the celebrated program that has become quite popular with Cameron and surrounding areas.

With only about eight weeks to Christmas much has to be accomplished within this period of time. These program are always a major attraction for the grown-ups as well as the kiddies, and too Ole Santa always comes.

The Home Decorating contest will be held as usual this season. This activity alone always creates bountiful enthusiasm and the many beautiful Christmas scenes are admired by visitors from neighboring cities. No doubt many unique arrangements will be displayed this season by our local artistic designers, and there will be prizes for winners.

There will also be prizes for the float entries in the parade. This is something new added to the regular formalities of the program. With the addition of this new department of the program, more interest will be aroused and more participation will be had this season.

The following committees were named at the meeting: Parade, Jim Miller and Louis McKee; Float Dr. Joe Parker and Hinton Pruett, Manager Scene, Miss Mary Randolph; Arrangements for the Manager Scene, Mrs. Mark Magers; Construction of Platforms at the City Park, Gene Blake; Street Decoration, John Seay; Home Decoration Contest Entry, Mrs. Loretta Brock, Miss Mildred Thornton, judging; Finance, L. W. Smith of the Chamber of Commerce, Sam White, Jaycees and B & P W Club, Mrs. Edith Starnes.

Cameron "C" Team Lose In Last Minutes Of Game

The Cameron "C" team lost a hard fought battle in the last three minutes of the game Tuesday night with the Taylor "C" team at the Taylor Stadium, by a score of 13-7.

The Cameron team scored early in the first quarter with a 70 yard run by Benny Massengale on an off tackle play. Buddy Thompson ran the ball for the extra point. Massengale also ran 80 yards for a sensational run for a TD, but the score was nullified on account of a clipping penalty against the Cameron team.

Tom Collins who plays center on offense and a line backer on the defense broke his wrist early in the second period.

Late in the final period Taylor scored on a long pass play but failed to add the extra point and the Cameron team still lead 7-6. On the second play from scrimmage the Cameron team fumbled and Taylor recovered, with only a minute and half remaining in the game. Again they took to the air scoring on a long pass play, this time adding the extra point, 13-7.

Formalities To Get Underway Thursday With Parade, Bonfire

Homecoming for the Yoe High School Exes is the topic of conservation around the Yoe campus this week.

Activities of the week will get underway with a parade Thursday at 6:30 P. M., beginning at the post office, parading through mercantile area and ending at the Lawless Green Field, where a huge bon fire will be staged. The band will participate in the parade.

Preceeding the game between the Yoemen and Georgetown Eagles, the crowning of the queen will take place. The queen will be selected on the following basis, from the class selling the most tickets, selling the most annuals, cooperation and participation in school activities.

Highlights of the day will be climaxed by the game between the Yoemen and Eagles.

Immediately after the game, the Senior Class and Yoe High faculty will be host and hostesses for an after game coffee in the Homemaking Department at which time registration of all ex-students will be held.

Local Attorney Plans To Attend Institute At Waco, October 31

Several hundred attorneys from approximately 30 Central and Cenral North Texas counties, including this county, will attend a regional legal institute in the Raleigh Hotel in Waco on October 31, Charles McGregor of Waco, registration chairman said this week.

McGregor said early registration indicated enthusiastic endorsement of the State Bar Association's plan "to bring as close as possible to the lawyers' doorstep" recognized authorities in the various fields of legal practice and also, for private consulation, high officials of state and federal agencies.

John B. McNamara, Jr., president of the Waco-McLennan County Bar Association, host at the "clinic," forecast this week that this would be the largest group of Central and Central-North Texas attorneys ever gathered, except possibly for a state Bar meeting.

Jim Miller, local attorney, plans to attend the institute. Mr. Miller recently came to Cameron from Dalhart and has made many friends during his short time in the city and county. He is a graduate of the Baylor Law School and practiced in Waco prior to his practice in Dalhart.

Mr. Mller has been taking an active lead in civic work, since coming to Cameron. His offices are located in the Cox building.

Ike Ledbetter Home From Waco Hospital; Reported Improving

Ike Ledbetter who recently underwent surgery at the Hillcrest Hospital in Waco, has returned to his home. He was in the hospital for over a week, but is reported to be improving slowly.

Mr. Ledbetter who is well and favorably known here will have to remain at his home for several more days, but is hoping to be out soon. Friends of the family will be glad to know of the progress he is making.

Commission Announce Construction Of New Bridge Over L. River

According to information received through the office of Judge Dan Tyson, "In Milam County on Farm To Market Road, 486, south of Petibone, the state highway engineer is directed to preceed in the most feasible and economical manner with the construction of a bridge over Little River, for a net length of approximately 0.4 mile, at an estimated cost of $65,900.00 with funds from the portion of the Motor Fuel Tax allocated for the construction and improvement of Farm To Market Roads."

This construction will be of great significance to traffic over this FM road.

Jim Miller Speaks To Lions Club On Amendments

Jim Miller, prominent young attorney, was the main speaker at the Lions Luncheon, Tuesday, October 23.

Miller spoke on four of the amendments that will be voted on by Texans, Tueday, November 13, discussing them pro and con. He introduced Miller Hopper, area supervisor of the Texas Welfare Department.

Hooper discussed the other amendment which dealt with the old age asistance amendment.

Yoemen Take Hornets In Hard Fought Battle By Count Of 26-19

The Yoemen returned home Friday night with the big end of the score, defeating the Gatesville Hornets 26-19, in a hard fought battle. The Yoemen scoring in the first, second and final quarters.

Thompson fumbled early in the first period which was recovered by Erwin on the Cameron 42. In seven plays the Hornets crossed pay dirt with Taylor passing to Jones for the score.

Ermis returned the on-side kick to the 45, from this point the Yoemen began their first touch down drive with Thompson, Batte, Rosenberg and Langford carrying the pig skin down to the 16, where Eddy on a hand off from Batte found a hole through left tackle and hammered his way across the double stripe for the score. Rosenberg PAT was good, 7-6.

Early in the second period the Yoemen struck for pay dirt again. The Hornets tried several passes and line bucks to no avail. Jones kicked to Rosenberg on his 38, who returns to the Hornet's 32. Langford added 4. Rosenberg behind excellent blocking streaked around left end for 29 yards and the second touchdown. His conversion was blocked.

After an exchange of punts, the Hornets began an aerial attack, Jones hitting Walker with a beautiful pass. On the next play Walker attempted another, and a bad pass from center, had to hammer his way into the secondary to pick up his blockers at midfield where he raced down the west side line for 64 yards for the Hornets second tally. The conversion was good, tying up the game to a 13-13 count.

Midway the quarter the Yoemen began another touch down drive, but it was halted on the Hornet's 15 yard stripe, with Cameron being penalized after Rosenberg had returned a punt from his 47 yard line down field to the Hornet's 20. Again Gatesville took to the air. Rosenberg intercepted Jones pass, intended for Walker at midfield, the third in this series, changed his pace two or three times and finaly trotted over for the touchdown. Glenn added the extra point.

During the half time period the Gatesville band gave a unique formation in observance of National Bible Week.

The third quarter was hard fought duel with both teams charging hard. The Hornets put on the spread formation with a number of passes, but could not connect with sufficient yardage for a tally.

Early in the final quarter Jones kicked out of bounds on the Yoemen 47 yard line. Thompson tried the line getting two yards. Lankford rammed for three more as the Hornet line stiffened once again. Thompson on a quick opening play on a hand off from Batte broke lose from three tacklers on the Hornet 40 and raced for the final Yoeman tally. Rosenberg kicked, and it was no good.

With four minutes remaining to play, Batte kicked out of bounds on the Hornet 49. He received a bad pass from center. Taylor's jump pass to Jones was incomplete. Walker added 7 yards on a line play. Another pass from Taylor to Walker was good for 11 yards. Walker on a quarterback sneak rammed through the center of the Yoeman line, and broke into the clear at the 15 racing on across the goal line untouched. Jones' conversion was good, making the count 26-19.

With two minutes to go the Hornets tried an onside kick hoping for a Yoeman fumble. Stanislaw picked up the ball on his 38. returning to the 44. Rosenberg hammered off 4 yards on the next play Batte's hand off to Eddy netted 3 yards. Rosenberg plowed for two yards as the game ended.

Rosenberg was especially good Friday night on his punt returns.

All the Yoemen displayed fine sportsmanship and much credit is due them and the coaches. The Yoemen line was a main factor in holding the Hornets on the ground as their aerial attack clicked fairly good.

Playing to a capacity crowd at the Gatesville stadium, the game was one of the best witnessed this season. A large number of Cameron fans attended the game.

4-H Club Girls, Boys Winners Of Annual Educational Awards

Fourteen 4-H Club girls and boys from as many counties scattered over Texas were certified today as winners of the annual Santa Fe Railway educational awards for outstanding achievement in club activities.

The award will permit the many youngsters an opportunity to attend and take part in the educatend and take part in the educational program presented at the annual 4-H Congress to be held in Chicago in November with all expenses paid. Active interest by Fred G. Gurley, president of the Santa Fe Railway, and other officers is taken in a sustained program of educational aid to these youngsters.

More than 1600 boys and girls have been enabled to participate in the National Congress by the Railway since inception of 4-H club work. Similar interest is displayed by three railway officials in the activities of Future Farmers of America.

The winners will be honored at a series of public gatherings in their home communities. The Santa Fe winners also will be the guests of Sears Roebuck Foundation at a luncheon in the Worth Hotel, Fort Worth, November 23 before departing for the convention which will be held November 25-29.

Secretary of State Praises Voluntary Parole Board

Secretary of State John Ben Sheppard stated in a report to Will Vaughan, Cameron, Chairman of the Milam County Voluntary Parole Board that the Texas Voluntary Parole System is functioning economically and satisfactorily.

Sheppard reported that when he assumed the duties of Secretary of State in February 1950 there were 600 parolees unaccounted for in Texas. He commended the Texas Voluntary Parole Board members for their cooperation and assistance in enabling the Department to reduce the number of missing parolees to 60.

Sheppard also praised the work of the members of the Voluntary Parole Board and cited several cases where through their efforts delinquent have been restored from the prison system to daily pursuits of every day life.

Other members of the Milam County Voluntary Parole Board are: E. A. Camp, Rockdale and Leroy Massengale, Cameron.

Well Known Couple Parents Of Girl

Mr. and Mrs. Thomas Brashear are the parents of a daughter born at the St. Edward Hospital, Friday, October 19, at 7:50 A. M.

The new daughter has been named Linda Diana and weighed six pounds and two ounces. All three are doing fine.

Mrs. Brashear is the former Harriet Dodson. Grandparents are Mrs. Nolan Dodson and Mrs. Womack Brashear.

Jimmy Newton Is Reported Imroved

Jimmy Newton, grandson of Mr. and Mrs. Walter Newton of Cameron who has been a polio patient in the Parkland Hospital, at Dallas for the past 23 days was reported some better Monday night.

Jimmy's condition was reported Sunday not so favorable but seemed to be better Monday. Friends of the family have expressed deep concern over Jimmy's condition and will be glad to know of his recent progress.

Voting Places For County PMA Committeemen Announced Here

Elections will be held in each community in Milam County, November 16, 1951, for the purpose of electing PMA community committeemen and their alternates to serve for a period of one year.

Delegates and alternates will also be elected to attend the county convention, that will be held November 21, 1951, for the purpose of electing three county committeemen and their alternates.

County and Community Committeemen who are elected will administer the various PMA programs in each community and over the county. These committeemen will serve for a period of one year.

Any farmer and his wife are eligible to vote in these elections that have an interest in a farm, as owner, tenant or sharecropper. Farmers may vote by mail or at the County PMA office anytime prior to November 16, 1951.

Polling places will be open from 8:00 a. m. to 5:00 p. m., Friday, November 16, 1951, at the following polling places:

Ben Arnold, Clarkson and Baileyville—Clarkson-Skala's Store.

Jones Prairie, Maysfield, Branchville—Maysfield, Post Office.

Milano, Gause, Hanover—Milano Woodman Hall.

Rockdale, Bushdale, Hamilton Chapel—Rockdale, City Hall.

Thorndale, San Gabriel, Pleasant Hill—Thorndale, Co-OP Gin.

Buckholts, Cornith, Sandy Ridge—Buckholts, Criswell's Cotton Office.

Sharp and Davilla — Sharp School.

Cameron, Yarrellton, Salem, Minerva, Marlow—Cameron, PMA County Office.

This is a farmers program and farmers are urged to vote for qualified committeemen to administer the various PMA programs in their respective communities in 1952.

Mr. and Mrs. Ira Lee Parker of Milano spent Thursday with her parents, Mr. and Mrs. A. L. Burnett.

A. D. Lagrone spent a short visit with his parents in Milano Saturday night, after which he made a business trip to Belton.

Mrs. T. B. Stidham shopped in Austin Monday and Tuesday and visited her sister and family, Mr. and Mrs. E. J. Ballerstadt there.

Miss Ann Brock student at SWTCU, San Marcos spent the past week her with her parents, Mr. and Mrs. Jess Brock.

Mr. and Mrs. C. L. Houston and children, Cindy and Butch of Lamesa, Tom Houston of Stantton, L. P. Houston of Snyder der visited in the home of their father, J. A. Houston, who has been ill for the past several days.

S. H. Posival of Buckholts, Rt. 2, was a welcome visitor in Cameron on Monday.

Fred Steinka of Rosebud was a business visitor in Cameron Monday.

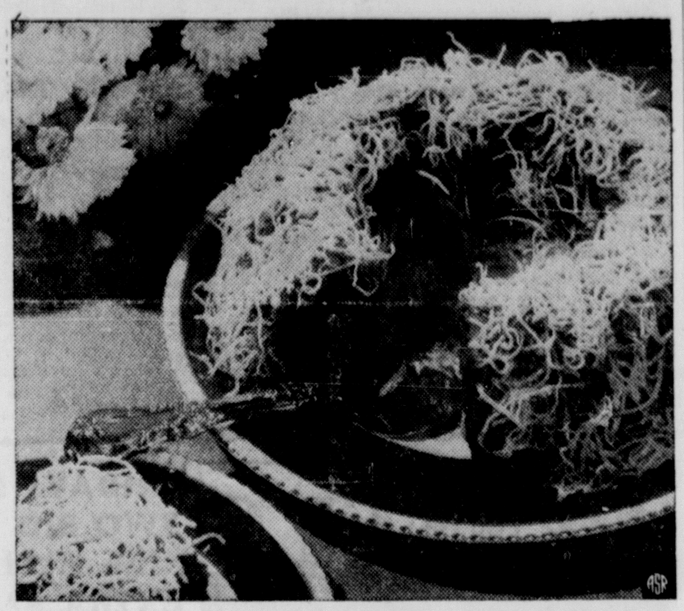
Chiffon Dessert Ring Circles Chocolate-Coconut Flavors



Chocolate and coconut, esteemed twosome in the world of confections, increase their circle of friends in a chiffon dessert. Unflavored gelatine which molds the chiffon also gives an airy texture to the custard base.

Two tones of chocolate are featured in this year-around dessert favorite. Unsweetened chocolate is used in the basic mold. Then when the ring is unmolded for serving, it is frosted with whipped cream to which has been added a cocoa mix. Thus a rich and a mild chocolate are savored with the added interest of shredded coconut.

This chiffon dessert may be chilled in a ring or fancy dessert mold. If desired, it may be chilled in sherbet glasses and served without unmolding with the whipped cream as a garnish.

Chocolate Coconut Chiffon Ring

1 envelope unflavored gelatine
1½ cups milk
⅔ cup sugar, divided
¼ teaspoon salt
2 squares unsweetened chocolate
3 eggs, separated
1 teaspoon vanilla
1½ cups coconut
½ cup heavy cream
3 tablespoons 4-in-1 cocoa mix

Soften gelatine in milk. Add ⅓ cup sugar, salt and chocolate. Cook over hot water, stirring occasionally, until chocolate melts and gelatine is dissolved. Beat to blend. Beat egg yolks slightly; gradually stir in chocolate mixture; return to double boiler. Cook and stir 3 minutes longer. Remove from heat; add vanilla. Cool or chill until mixture begins to jell. Beat egg whites until stiff; gradually add remaining ⅓ cup sugar and beat until very stiff. Fold into gelatine mixture with ¾ cup coconut. Turn into 5 cup ring mold; chill until firm. Unmold. Beat cream with cocoa mix. Garnish mold with whipped cream mixture; sprinkle with remaining ¾ cup coconut. YIELD: 8 servings.

Furniture Dealers To Stage Sales Clinic In Waco October 29

A special event for furniture and home furnishings dealers and salespe ople in the Waco section will be held in Waco, October 29th and 30th in the Cactus Room at the Roosevelt Hotel, 7:30 P. M. Frank C. Allen, Jr., President of the Retail Furniture Association of Texas and Ed Berry, a director of the Retail Furniture Association, have joined in announcing the meetings.

The event will be directed by W. W. Morrison, a practical furniture store operator of Ashville, North Carolina. Morrison is winner of the Cavalier Award in 1942 for directing the most noteworthy furniture operation in America.

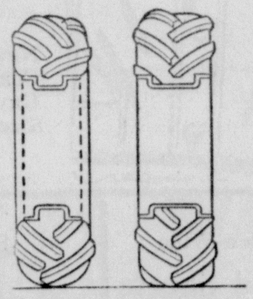
The meetings will be a training program for furniture and home furnishing people. Mr. Morrison, who recently conducted training work for the Southern Retail Furniture Association, will be accompanied by H. E. Dill, Exec. Vice-President of the Texas Association. The Association has arranged the program as an exclusive event for Texas for the fall of' 51.

Labor Law Violations Reported Small

While most public schools in the Southwest have been in operation a full month or more, violations of the Federal law dealing with child labor in agriculture during school hours have not been alarmingly high, a government spokesman here reported today.

William J. Rogers, Regional Director of the Labor Department's Wage and Hour and Public Contracts Divisions for five Southwestern states, said that while his investigators had found some violations, most reports indicated that farmers generally were complying with the law and that, as good citizens, they wanted to comply with it.

FACTORY Authorized Radio Repairs on MOTOROLA, R. C. A., G. E., DELCO, ZENITH, PHILCO. —PARMA RADIO SERVICE.

It's what happens HERE that counts


10-inch tire on standard rim
10-inch tire on CA 10-inch rim
The drawings on the left show one reason why the CA Tractor has unusually good traction. Wide-based 10-inch tires on a 10-inch rim have a broad face, using the full width of the tread to grip the earth. When properly inflated, each rear tire has approximately 17 percent more square inches of surface on the ground than with conventional rims.
Another reason is the hydraulic Traction Booster which gives the CA *live*-weight instead of deadweight. With mounted tools, as the load increases, the Traction Booster automatically increases weight on the rear wheels in proportion to the load.
The new CA has plowing power you've never seen before in a tractor this size. Let us prove it on your farm.

Future Homemakers Plans Program At Recent Meeting

The Executive Committ ee of the Future Homemakers have planned a very active year for their chapter in which to carry out the eight national purposes of the organization.

This committee composed of Mary Hensley, President; Marie Hearne, vice president; Andrea Swanzy, secretary-treasurer, Frances Vogelsang, reporter; Martha Swanzy, sargeant of arms; Henrietta Slavik, song leader; Anna Hanel, parliamentarian, and Jo Ann Slavik, historian, met Saturday, October 14, in the Homemaking Department and planned the 1951-52 program of work.

The seventh purpose, "To provide wholesome individual and group recreation" has already been taken care of with the two recreational programs held in the month of October. Our first event was the trip to the Dallas Fair on October 6, which gave recreation to 81 Future Homemakers.

Three sponsors with the group on this trip; Mrs. Hensley, a chapter mother, Mrs. Weise, our honorary member, and Mrs. Whatley, our homemaking guide. Mr. Leroy Thompson drove the FFA bus making it possible for us to have two busses driven by Mr. Hollas and Mr. Copper

The second event was a skating party held at our skating rink reserved for us by the manager, Mrs. Wiseman. This skating party on October 18, gave group recreation to about 43 girls and their guests.

Parent guests in the party were: Mr. L. A. Swanzy, Mrs. C. W. Hinyard, Mrs. Frank Hanel, Mr and Mrs. W. J Michalka, Mr. and Mrs. Floyd Brown, Mrs M. A. McDonald, Mr. and Mrs. Charles Brady, Mrs. B L. Miller, Mrs. Vito Riola, Mrs. Maxine Wilson, Mrs K. A. Conner, Mrs. W. B. Thweatt, A L. Millinax.

Mr. and Mrs. L. G. Smith attended the Gatesville-Cameron game in Gatesville Friday night.

Stalk Destruction Will Lower Production Cost For 1951 Crop

Two arch enemies of the cotton farmer, boll weevils and pink boll worms, are utilizing the lush, tender growth that cotton plants have produced since the recent rains. According to A. C. Gunter, Extension Entomologist of Texas A&M, College, these insects are about the only benefactors from a late top crop.

If the cotton stalks are destroyed at once, there is still time to plant a winter cover crop. By combining the insect control and winter legume planting programs, Gunter says cotton farmers will be following practices that can mean better crop yields next year and more profit. Production costs will be lower because less time and fewer pounds of insecticides will be needed for fighting bugs and cotton following fertilized legumes generally produces considerably more lint per acre.

R. H. Cates of the Herald force spent Sunday in Austin with his family.

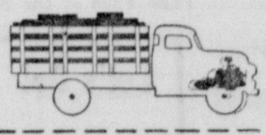
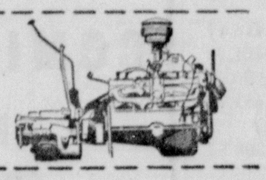
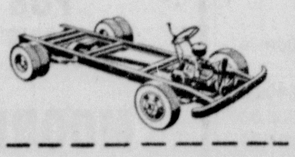
Switch to DODGE "Job-Rated" TRUCKS

Bigger loads!


Bigger Loads! *Balanced Weight Distribution* enables you to haul bigger payloads on a Dodge *"Job-Rated"* truck. Because the engine has been moved forward and front axle back, you carry more without overloading. Right proportion of the load is carried on *each* axle. And shorter wheelbase means easier handling.

Faster trips!


Faster Trips! *High-Compression Engine* gives you plenty of power. Increased horsepower—in combination with the right transmission and rear axle ratio—means faster trips! Four-ring pistons with chrome-plated top ring and other outstanding values assure performance that saves dimes and dollars on your job.

Longer life!


Longer Life! *Husky Chassis Units* are one reason why a Dodge *"Job-Rated"* truck lasts and lasts. You get a rugged frame of hot-rolled, high-carbon steel. Springs are of special alloy steel—extra tough, yet resilient! Axle shafts are shot-peened for added durability. And every chassis unit is *"Job-Rated"* to fit *your* job!

gyrol FLUID DRIVE available on ½-, ¾-, and 1-ton models
This Dodge "exclusive" gives you smoother starts . . . easier handling . . . lower upkeep costs . . . longer truck life. Ask for a demonstration—today!

What a "Job-Rated" Truck Means to You
A *"Job-Rated"* truck is engineered *at the factory* to fit a specific job...provide the best in low-cost transportation, save money, last longer. *Every unit that SUPPORTS the load*—frame, axles, springs, wheels, tires and others—is engineered right to provide the strength and capacity needed. *Every unit that MOVES the load*—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Ask any owner! He'll tell you that he hauls bigger loads at lower costs!

editorial:-

The following is a letter from Jim Cantrell, Chairman of the Committee to keep Texas pension funds for Texas citizens. We thought it expressed our own views so well that we are printing it word for word.

Every Texas citizen, especially those who have friends or relatives on the State Old Age Pension rolls, should vote AGAINST the Old Age Pension Constitutional Amendment at the election Tuesday, November 13th. It will be the last proposal of 5 on your ballot.

This proposed Constitutional Amendment is cunningly worded so as to hold out a promise of increased old age pensions and larger payments to the blind and needy children of Texas. As a matter of fact this promise cannot be kept and if the amendment is adopted by the voters, Old Age Pensions and payments to the unfortunate blind and dependent children will actually be CUT instead of being raised.

The amendment proposes to add $7,000,000 to the State's tax burden for the purpose of increasing the Old Age Pension rolls. This in itself would be acceptable should this money all go to those needy elder Texans at present receiving old age pensions.

However the amendment abolishes all the residential requirements of pensioners under the existing State law. If the amendment passes it will not be necessary to have lived in Texas a year before qualifying for a pension or other aid specified in the amendment. Any person could move into Texas from another state and is entitled to a pension from the time he crosses the State line.

NEED NOT BE CITIZENS

The amendment would open the State old pension rolls to people who are not even citizens of the United States, let alone citizens of Texas.

Non-residents who have just moved to Texas from adjoining states, Mexicans and displaced people who have come here from Europe will all be entitled to immdiate old age pensions should this amendment be adopted. The additional $7,000,000 a year tax money would indeed prove a paltry sum to cope with the big rush of those, at present disqualified, to get on the state pension rolls. The ulimate burden to taxpayers would reach staggering proportions. In 1941 when the State Legislature liberalized requirements to a far more limited extent than would be true if all citizenship requirements were abolished, the number of elderly Texas citizens on the pension rolls at once increased 25 percent.

ROLLS WILL BE SWAMPED

With all residential qualifications eliminated by the proposed constitutional amendment, the rolls would literally be swamped by new comers permitted to receive pensions. The $7,000,000 additional tax would vanish in a very short period and in order to take care of the swarm of new applicants PRESENT PENSIONS WOULD SURELY HAVE TO BE CUT.

To abolish residential and citizenship requirements, as sought by the proposed amendment would be MOST UNFAIR to the thousands of fine and worthy Texans now drawing old age assistance. It is these good people who would be penalized financially by the adoption of this unworthy and deceptive amendment to our State Constitution. The old folks of Texas, their friends and their families should not be deceived by this amendment. It is for their best interests that they should go to the polls and vote against this most unjust measure.

Should the constitutional amendment carry it would require a special session of the legislature to provide the $7,000,000 to put the "open-to all comers" pension plan in operation.

MORE TAXES WON'T DO JOB

While the whole question of State taxation would be reopened in Austin, should a special session be called, those on the old age assistance rolls would not be benefitted by more taxes. Only the $7,000,000 as provided in the amendment could be appropriated for their use, and this is not enough to prevent a pension CUT if the bars are lowered for Mexicans, aliens and others now not qualified. Advocates of a sales tax on all commodities, gross receipts taxes and levies on natural resources would again ask for higher taxation. Millions more dollars in taxes could be levied on tax burdened Texans without helping the present pensioners a single nickel. This cunningly worded pension amendment helps nobody but Mexican aliens. other foreigners and those who would hurry to Texas from other states to get on the rolls. Present worthy recipients of old age assistance would be financial losers.

City Folks Urged To Join Farm Bureau Too; Big Meeting Tonight

There will be a general meeting of the Milam County Farm Bureau tonight at the Simon-George Hall at 7:30.

Reports from the current membership drive will be given by the county committeemen.

This important drive has been underway for the past week. The farmers are asking that the city folks join the Farm Bureau as their BEANS come from the soil too.

In a city like Cameron where merchants and other business men receive the majority of their income from the farming class of people, city folks should realize the need and the value of stable farmers. If the farmers has money to spend, the merchant and business man will surely make money. Simple isn't it? JOIN TODAY!

Ideal Hatchery Hens Win Top Honors

Honors continue to come to the Ideal Hatchery and Poultry Farm.

This year the R. O. P. Summary has been prepared for all R. O. P. Breeders in Texas on a 300 day trapnesting period.

Ideal Hatchery and Poultry Farm entered 1977 White Leghorn pullets as R. O. P. candidates. Of this number 1433 qualified as R. O. P. hens. This is a qualification of 72.5 per cent. These birds layed at a rate of 82 per cent production during this period.

According to preliminary reports received from the official supervisor at A&M College, this is the best per cent production record made by any R. O. P. breeder in Texas this year.

In the qualification division, the Ideal Hatchery was topped by only .8 of one per cent by another breeder.

The average weight was 26.3 ounces per dozen, and the body weight during their pullet year was five pounds.

E. D. Parnell and his A&M College Poultry judging team were at the Ideal Poultry Farm to do practice judging and a good many of the Ideal high production hens were used for the judging.

Mrs. Louis McKee, New Member Off Cameron Garden Club

The Cameron Garden Club met at the home of Mrs. R. D. Brown, Thursday, October 18, for the first meeting of the fall session.

Mrs. E. B. Camp presided.

Mrs. Rolan Carr, chairman of the horticulture committee, presented a three member panel on seed planting for the Flower Show with the following women taking part: Mrs. W. N. Burns, Seeds; Miss Catherine Flinn, Bulbs; and Mrs. J. C. Martin, Shrubs.

Mrs. W. G. Gillis introduced Mrs. Alvin Dusek, guest speaker who gave an interesting and informative talk on "Day Lilies."

Lovely arrangements of chrysanthemums were made by Mrs. B. F. Robinson and Mrs. H. P. Culpepper.

Mrs. Louis McKee was elected as a new member. At the close of the meeting a plant exchange among the members was held.

Correction by Reflection

PITTSBURGH — "Seeing is believing" is the practice of Lou Worsham, golf pro at the Oakmont Country club here, in instructing his pupils. Golfers are better able to improve their games because they can view themselves in a variety of positions. The mirror Worsham uses in conjunction with his regular courses of instruction is made of impact-resistant glass, specially developed by the Pittsburgh Plate Glass Company to resist outside exposure. Pro Worsham finds the mirror a big help for, as shown above, it aids the golfer in both recognizing and correcting defects that may be preventing a lower scoring total.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Mr. and Mrs. Fred Starnes made a trip to Washington last week to attend the convention.

Rev Bob Scarborough was Sunday guest in the Ed McCall home. Other visitors for the day were: Marion McCall of Ft. Hood, Cleve McCall, and Mr. and Mrs. Jim Perkins of Calvert.

Mr. and Mrs. Wesley Griffin and family of Waco, spent the week end with his parents, Mr. and Mrs. Zack Griffin.

Sunday church visitors were: Mrs. Fred Cockran and Margaret of South Elm; Shirley Jo Brooks of Freeport. Kay Manning of North Elm, Mrs. Katherine Coleman and Mrs. Malon of Freeport, Wallace Colburn and Donald Todd of Bryan, and Patsy Gallatin of Austin.

Oyd Fikes and family of Corpus Christi spent Thursday night with his mother, Mrs. Add Miller.

Leroy Franklin is out of school this week with an infection of his eyes, he is taking daily treatments in Temple with an eye specialist.

Week end visitors in the Charles Russell home were Mr. and Mrs. Cecil Richardson and Tim of Port Arthur, Mr. and Mrs. G. L. Gallatin and Patsy of Austin, Mr. and J. H. Richerson and Miss Alice of Rosebud.

Several of the football fans attended the game at Gatesville Friday night. Their interest and presence helps the boys work the harder to win and resulted in a victory with scores 26-19.

Mr. and Mrs. John Barrett and son, Drew, returned home to Honey Grove Friday, after a two weeks visit with his mother, Mrs. Jennie Barrett and other relatives and friends her and at Rosebud.

Wallace Colburn and Donald Todd returned with Mr. and Mrs. Clarence Colburn after the A&M game Saturday and spent the week end here with home folks.

Mr. and Mrs. Tucker Wilkerson of Houston spent the week end with his parents, Mr. and Mrs. W. A. Wilkerson, and the group visited relatives in Cameron Saturday.

Mrs. K. D. Griffin visited her mother, Mrs. Homer Nabours in Temple hospital Thursday. We are happy to learn Mrs. Nabours is recuperating nicely in her home now.

Next Sunday, October 28, Yarrellton Baptist Church will have a visiting preacher, Missionary from Japan will speak Sunday A. M., then Sunday night at 7:00 with slide pictures of the work now being done by Missionaries in the foreign fields. He is a personal friend of Bob Scarbororugh, and he invites each and every denomination to come out and hear him.

MAYSFIELD NEWS

Miss Barbara Weems and Roy Patskze were married in Calvert Sunday. Rev. Asbury Lennox performed the wedding ceremony. Wayne Thweatt was best man and Doris Nell Lott of San Antonio was bridesmaid. They left immediately for a ten days honeymoon in New Mexico.

Rev. Conner Alden filled his regular appointment here Sunday.

Miss Charolette Collins of Cameron and Rev. Bob Peacock of Georgetown attended church here Sunday.

Mrs. John Thweatt, Mrs. Bill Thweatt, Mrs. Roy Weems, Mrs. W. C. Freeman and Mrs. Elbert Hollingsworth attended a zone meeting in Bryan Wednesday.

Rev. and Mrs. Bailey of Eureka and son and Miss Mary Louise Bailey visited here last Friday.

Rev. and Mrs. Henry Bailey of Eureka and son, and Miss Mary Louise Bailey of Atlanta, Ga., visited here last Friday and were the guests in the J. P. Wise home and Roy Newton home Friday.

Mr. and Mrs. Jimmie Thweatt and son, Phil and daughter, Linda visited his father, John Thweatt Sunday.

Mr. and Mrs. Billie Thweatt and family of Velasco visited his parents last week end.

Mrs. Valter White, Mr. and Mrs. Roy Weems, Mrs. Bill Thweatt, Miss Mabel Tyson attended the Texas Conference at Rosebud Monday.

Mrs. Roy Newton and Mrs. Willard Cooper visited Rev. and Mrs. Frank Newton at Mt. Calm Monday.

Mr. and Mrs. Roy Weems and daughter, Barbara attended the Dallas Fair Thursday.

Miss Susie Butts and Rev. Billie Newton and wife attended the Fair in Dallas Tuesday.

Bryan Floyd and wife visited here Sunday.

The community enjoyed a family night with a supper in the Sunday School room last Thursday night.

Mrs. Frank Lesovsky, Miss Dorothy Lesovsky Injured In Wreck

Mrs. Frank Lesovsky of Cameron and daughter, Dorothy Lesovsky of Waco were seriously injured in a head-on collision Saturday near Arcadia, La.

Mrs. Lesovsky received a number of lacerations about the face and neck as well as a number of bruises. Her daughter suffered a slight conccussion and severe shock.

Both are in Arcadia hospital and it was reported that they might be moved to a Cameron Hospital sometime the later part of the week.

Miss Toni Lesovsky of Cameron left Sunday morning to be with her mother and sister.

A woman from Waco was the only occupant with the Lesovskys. Occupants of the other car were also seriously injured in the crash.

Mrs. P. A. Corkern and little daughter, Rebecca Ann, spent the week visiting in the home of Mr. and Mrs. T. H. Childress at Lake Travis while the pastor, Rev. P. A. Corkern attended the convention in Houston.

Mrs. Albert Swanzy is among the patients ill and in Newton Memorial Hospital for treatment.

HORSTMANN BROTHERS

Are some of *your* Series E Government Bonds maturing this month?

Now they can earn more money for you!

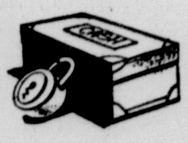
NEW LAW PROVIDES TEN MORE INTEREST-EARNING YEARS FOR YOUR SERIES E BONDS . . . AND YOU NEED NOT DO A THING!

ARE you one of those smart and patriotic Americans who began an automatic saving program with Series E Government Bonds in 1941? Then you're one of the lucky people who can profit by a *new law now!*

A bill recently passed by Congress now makes it possible for your United States Defense Bonds to continue earning interest ten years longer than was originally planned.

For example, a Series E Bond which cost you $18.75 in 1941 will pay you $25 in 1951. But if you hold that bond ten extra years, until 1961, it will pay you $33.33, an average interest of 2.9% compounded annually. You get similar increases on Series E Bonds of every denomination.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. *You simply keep your bonds as you have been keeping them.*



You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But unless you really *need* the cash you're much better off to hold your bonds. For U. S. Defense Bonds are as safe as America itself.

When you buy your bonds regularly and hold them, they are steadily building a sum big enough to buy something really worth while—a home, a business, a retirement fund, an education for your children.

And bonds are *safer* than cash! If you lose or accidentally destroy cash it's gone for good. But when you have your cash in Defense Bonds, the U. S. Treasury will replace lost or destroyed bonds at no cost to you.

So if some of your bonds are coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. System is the secret of saving.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of $500 or more, for Special Series G Bonds which pay interest semi-annually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

Maturity value / Issue price	$25.00 / 18.75	$50.00 / 37.50	$100.00 / 75.00
Period after issue date	Redemption values during each year		
1 year	$18.75	$37.50	$ 75.00
2 years	19.00	38.00	76.00
3 years	19.25	38.50	77.00
4 years	19.75	39.50	79.00
5 years	20.25	40.50	81.00
6 years	20.75	41.50	83.00
7 years	21.50	43.00	86.00
8 years	22.50	45.00	90.00
9 years	23.50	47.00	94.00
10 years	24.50	49.00	98.00
Maturity value (10 years from issue date)	25.00	50.00	100.00

Now look how your maturing bonds go on earning under the new law!

Original maturity (or face) value / Issue price	$25.00 / 18.75	$50.00 / 37.50	$100.00 / 75.00	$200.00 / 150.00	$500.00 / 375.00	$1,000.00 / 750.00
Period after issue date	Redemption values during each year					
11 years	$25.31	$50.62	$101.25	$202.50	$506.25	$1,012.50
12 years	25.94	51.87	103.75	207.50	518.75	1,037.50
13 years	26.56	53.12	106.25	212.50	531.25	1,062.50
14 years	27.19	54.37	108.75	217.50	543.75	1,087.50
15 years	27.81	55.62	111.25	222.50	556.25	1,112.50
16 years	28.44	56.87	113.75	227.50	568.75	1,137.50
17 years	29.06	58.12	116.25	232.50	581.25	1,162.50
18 years	30.00	60.00	120.00	240.00	600.00	1,200.00
19 years	31.33	62.67	125.33	250.67	626.67	1,253.33
20 years	32.67	65.33	130.67	261.33	653.33	1,306.67
Extended maturity value (20 years from issue date)	33.33	66.67	133.33	266.67	666.67	1,333.33

Methodist Home Choir Will Be Featured In Broadcast Oct. 28

Songs by the Methodist Home choir will be a feature of the October 28 broadcast, "These Are Your Children," which will be heard over the Texas Quality Network and other Texas and New Mexico stations.

This is one of a series of weekly radio programs sponsored by the Methodist Home at Waco, Texas and depicting the life of the more than 400 children who live at the home. The programs are heard at 8:15 each Sunday morning.

Hubert Johnson, superintendent of the home, said that planned recreation and health building activities would be the subject of a skit to be presented by the children. Taking a real life story of an undernourished youngster who has been rescued from a poverty stricken home the dialogue will show how he was developed physically and mentally to take his rightful place in society.

The Methodist Home will observe its sixty-first anniversary in November, Mr. Johnson said.

Community Party Scheduled October 23, Milano High School

There will be a Community Party at the Milano High School Gynasium, Tuesday, October 23, at 8 p. m.

The party is being sponsored by the Junior Calss and funds derived will go for the School Carnival, scheduled to be held on October 30.

Games of various kinds will be used for diversion and the public has a cordial invitation to attend.

Heber Tindall Suffers Heart Attack Early Sunday Morning

Heber Tindall is a patient in the St. Edward Hospital. He was stricken with a heart attack early Sunday morning at his home.

Mr. Tindall suffered a second attack Sunday afternoon when he was rushed to the hospital.

It was reported that his condition was still serious and no visitors are allowed. He is employed by the State Highway Department and is well known in Cameron. His many friends will be sorry to learn of his illness.

Milk Shake Calls For Molasses

Healthful refreshment for youngsters after vigorous play is a milk shake with mellow unsulphured molasses. This is a beverage children will love for its spicy and sweet goodness. Molasses, known as a sweetener since colonial days, is the concentrated juice of fully ripened sugar cane which has been carefully aged and blended. Its distinctive flavor has maintained popularity over the years despite the competition of other sugars and sirups. Count on molasses also to contribute valuable iron to the daily diet.

To make the milk shake simply stir a tablespoon of unsulphured molasses into a glass of milk. The term "unsulphured" designates the mellow delicate molasses free of all bitterness.

Unsulphured molasses straight from the jar may also be used as a sauce over ice cream for a novel sundae.

Southwest Conference Slates Two Games Sat., TCU To California

Humble Oil & Refining Company football broadcasts Saturday, October 27, will include two important Southwest Conference games and an interesting intersectional tilt. About 50 radio stations will bring these broadcasts to Humble Network listeners in Texas.

Baylor University takes on one of its toughest opponents for the 1951 Southwest Conference football crown when the Bears meet the Texas Aggies. Rice Institute visits Austin to tackle the University of Texas Longhorns, and, T. C. U. invades the far west to try for the second 1951 Suthwest Conference victory over a Pacific Coast team when they meet the University of Southern California.

Charlie Jordan and John Fergusson will describe the Baylor-Texas A & M contest direct from Kyle Field at College Station at 1:50 p. m., over stations WACO, Waco; WTAW, College Station; KRLD, Dallas.

The Rice-Texas fracas in Memorial Stadium, Austin, will be broadcast at 1:50 p. m. also, with Kern Tips and Alec Chesser rendering play by play and color accounts of the game over stations KTBC, Austin; WFAA-WBAP, 820, Dallas-Fort Worth.

Three fifty o'clock will be the broadcast time for the TCU-PSC match in Los Angles Memorial Stadium, Los Angles, California, when Ves Box and Eddie Barker will report on the game over statios WFFA-WBAP, 570, Dallas-Fort Worth.

Bryan Accounts For Yoelet Touchdown Thursday Night

Coach Don Ross and his "B" team came back from Temple Thursday night with the little end of the score, but that doesn't tell the story.

The Temple team having plenty of reserves scored several times. The Cameron team had a number of bad breaks, which the Temple team took advantage of, fumbles, interceptions and such. The final count was 56-6.

The Cameron team played the big Temple boys up and down the field the first half, the Cameron boys scoring in the second quarter on a punt return of 70 yards by George Bryan.

Dr. George W. Cox Lists Sanitary Needs For Community

"What the average community needs is a well organized health department which emphasizes five types of activities to protect the child's health," says Dr. Geo. W. Cox, State Health Officer "These activities are: (1) The safeguarding of child health and motherhood (2) the control of contagion; (3) accurate recording of births and deaths; (4) support of public health laboratories; and (5) sanitary control of diseases spread from human waste and by vermin and in sects."

"Contagion is prevented or controlled against further pread thru the encouragement of immunization early in life, through the prompt reporting of infectious disease. Public health laboratories and sanitary engineers provide additional bulwarks of protection for child life.

"Adequate health organization and wholehearted support on the part of various state and local agencies are essential if these activities are to be successfully maintained."

Bulldogs Win Over Navasota Panthers At Yoe Field Friday

The O. J. Thomas Bulldogs paced to an easy victory over the Navasota Panthers at the Yoe Stadium Friday night by a score of 27-0.

The Bulldogs scored in every quarter and the Panthers showed little opposition in the first half. In both the third and final quarters the Panthers put up a stone wall but the Bulldogs were still able to score.

E C and D. C. Ward, twins on the Bulldog team were high in yardage gained from scrimmage, however, Ira Canady, John Freeman and Fred Knight also starred for the Bulldogs.

The Bulldogs will meet the Lincoln High School team on the A & M Consolidated Field Wednesday night, October 24, and will take on the Marlin Wildcats here on November 2, for the annual home coming game.

Soils can be protected against winter erosion losses by providing them with a blanket of green. The blanket can be made of adapted winter legumes or small grains and both can be used as supplemental grazing crops.

V. F. W. Auxiliary Meets Recently With Mrs. McCoy

The V. F. W. Auxiliary recently met at the home of Mrs. Billie McCoy, president.

Guest speaker for the evening was Mrs. Lillie Kovar of Taylor, president of District 5, V. F. W. She was accompanied by Mrs. Bill Pugh also of Taylor.

Plans for relief work for the winter months in this area was discussed. Mrs. Kovar stressed points to make the movement successful.

Purpose of the program of the Auxiliary is to help disabled Vets and their families.

Following the meeting the hostess served coffee and cake.

Billy Bickett of Marlow was a business visitor in Cameron Monday.

CAMERA TOPICS

By T. T. Holden*

Candid—but an honor winner because the picture was carefully planned before the shot was made. Speed Graphic photograph by Heyward Crowson from the Graflex Photo Contest.

DON'T MAKE YOUR PICTURES TOO CANDID

The days of the rigid subject staring with glazed eyes at the camera are fortunately dead and gone; and good photographers know that the best pictures show a split-second of unposed activity.

In an effort to shoot natural pictures, many amateurs go to the opposite extreme. They sneak up on an unwitting subject and blast away with little regard for composition, lighting, focus or any other fundamentals of good photography. The simple fact is that pictures can be too candid.

For good pictures, the photographer must plan his setting, exposure, focus and so forth just as carefully as if he were working in a studio. He must watch out for bad backgrounds, choose the camera angle that gives the most dramatic effect and see that his model is properly groomed and posed. There is a big difference between windswept hair that has been carefully arranged, for instance, and untidy, tangled locks.

Even the most interesting action makes a poor picture if it is out of focus or shot against a cluttered background.

When we watch a good movie, we know perfectly well that behind it is many hours of rehearsing to make the actors appear natural, much study of lighting and camera technique.

Good still pictures require the same careful approach. Next time you are tempted to sneak up and shoot sister at play, take time to look over the background. See if asking her to move a few feet might not improve the lighting. Pick up the best camera angle rather than the one that happens to be most convenient for a quick shot. Wipe the smudge off her cheek. Only when you are satisfied that all the elements of your picture are right are you ready to watch for that unpredictable instant that will make the picture you'll cherish.

Joe Luce has been a patient in the Newton Memorial Hospital is reported much improved and is able to be at home.

Dr. and Mrs. W. J. Fontaine, Mrs. R. K. Fontaine and daughter, Karon visited Mr. and Mrs. N. C. Erskin in Temple Friday

Buckholts Community Organizes New Home Demonstration Club

A new H. D. Club was organized in the Buckholts Community this week. A meeting was held at the Home Economics Cottage, Monday October 15, with Mrs. Theo Fuchs, council delegate of the Minerva H. D. Club, presiding until a president could be elected.

Nineteen joined at the meeting with the following officers elected:

Mrs. R. L. Zidlits, President.
Mrs. Ed. Senkel, Vice-President.
Mrs. Raymond Wall, Secretary.
Mrs. Clarence Raney, Council Delegate.
Mrs. John Fuchs, Reporter.
Mrs. L. N. Ezzell, Pariamentarian.

Mrs. Alice Hughes, County HD Agent, met with the group. The club has scheduled a meeting on each second and fourth Friday of every month. The county agent will meet with them on the second Friday.

The Club voted to send two members as delegates to the Upholstering Training School that will be held at Minerva, October 30-31. They will be named at the next meeting of the club, Friday, October 26. Other ladies of the community are cordially invited to join the club.

A number of the members visited the Girls and Boys 4H Club during their recreational program.

General Baptist Convention Held In Houston This Week

Rev. P. A. Corkern left Monday for Houston where he will attend the Baptist General Convention.

An estimated 5,000 delegates were on hand for pre-convention sessions Monday in the 66th annual meeting of the Baptists. The group opened its meeting officially last night at the City Coliseum with main sessions Wednesday and Thursday climaxed by Evangelist Billy Graham's address.

The semi-annual meeting of the board of Baylor University was held yesterday.

Rent Control In Bell And Coryell

Rent control went into effect in Bell, Crawford, Coryell and part of Williamson Counties today.

The controls were imposed by the Office of Rent Stabilization because of the proximity of Fort Hood and Gray Air Base.

The order provides that rents may not exceed those charged on July 1, 1950.

Thorndale Elects Legion Officers 4-H Club Girls, Boys

New officers were elected for the Emil Hengst post of the American Legion recently at Thorndale.

They include V. E. Laas, Jr., commaider; Bremond Culp, first vice-commander; Tom Beard, adjutant; L. D. Barnes, Jr., finance officer; Roy C. A. Butler, chaparms; and Otto Patschka, service officer.

Plans are being formed to build a home for the post and the auxiliary.

State Fair of Texas Sets New Record

The 1951 State Fair of Texas closed out its 66th edition in Dallas Sunday night, October 21, setting a new national attendance record for annual fairs.

Total attendance for the mammoth 16-day exposition was 2,320,129, an increase of 145,610 over last year's attendance.

The fair thus set a new record to shoot at and re-establish its position as the world's greatest state fair.

The fair's biggest day was Sunday October 14, when 276,585 people visited the fair for its biggest Sunday crowd in history.

East Texas C of C Names Highway Policy Committee

Creation of a new highway policy committee for the East Texas Chamber of Commerce has been announced by President John C. Flanagan of Houston. A. F. Mitchell of Corsicana, civil engineer and highway expert, has accepted chairmanship of the committee.

President Flanagan pointed out that while the regional chamber does not ordinarily concern itself with individual highway projects, it is deeply concerned with high way problems in general and intends to use its facilities to promote highway improvements in East Texas as well as in the whole of the State.

First Half Scoring Assures Hearne Team Victory Wednesday

The "C" team was defeated by the Hearne "C" team by a count of 19-6 Wednesday night at the Yoe Stadium.

The Hearne team had control of operations during the first half when they accounted for 13 of their points.

The Cameron team came to life in the second half but were only able to push over one TD during the final quarter. Both teams played good ball.

Cameron To Have Fun All Next Week

The Great Southwestern and Moore's Modern Shows Combined, still under the management of Jack B. Moore, America's finest midway are coming to Cameron for one week, starting Monday, October 29, under the sponsorship of the American Legion of Cameron.

The show since visiting Cameron has been greatly enlarged, such as a 120 foot circus side show, with freaks and curious people shown all over Tobacco Road. A show worthwhile to pay a visit. Stars of tomorrow, high class girls review. There will be plenty of rides and lots of nice fun booths, both for old and young.

This show has been to Cameron several times and has shown nothing but good clean amusement on each visit here. The show will arrive Sunday, and will be ready to operate Monday night, so let's all help and support the American Legion, the boys that fought so hard to save democracy.

The show will be located on the Boedoker Gin lot.

Three Boys, One Girl Arrive At Newton Memorial Hospital

According to Francis Michna, head nurse at Newton Memorial Hospital, "old man stork" has been busy at the hospital in the past week.

Mr. and Mrs. Adolph Hartley are the parents of a son, born, Thursday, October 18, weighing eight pounds and 14 ounces. The son has been named George Nathan. Mrs. Hartley is the former Annie Laurie Miller.

Mr. and Mrs. James Crockett are the parents of a son, James Edward, born Friday, October 19. He has been named James Edward

Mr. and Mrs. J. D. Martin of Jones Prairie announce the arrvival of Ted Warren, six pounds, 12 ounce son, born Friday, October 19. Mrs. Martin is the former, Mildred Burnett.

Mr. and Mrs. Willie Ackerman, herald the arrival of Linda Laverne, seven pound and three ounce daughter born, Monday, October 22. She is the former Evelyn Stanton.

Mrs. J. A. McKinney has returned to her home here after completing a pleasant visit with relatives at Alice and McAllen.

NOTICE

The Commissioners Court of Milam County, Texas, acting in compliance with Chapter 320, Acts of the 51st Legislature, 1949, will consider the question of increasing the salaries of District, County and Precinct Officers, also an increase in the compensation allowed county employees as authorized by said Chapter.

A petition signed by County Officials and employees was presented to the Commissioners' Court on Monday, October 8, 1951, asking that salary increases be given. The Commissioners' Court has not raised any elective officers salary since 1936, when set by law.

Therefore the said court gives notice of its intention to consider and make such changes as may in its discretion deem proper. A meeting will be held in the Commissioners' Court room, Cameron, Milam County, Texas, on November 9, at 9 A. M., 1951 to consider this matter. 80-3tc.

CARD O FTHANKS

We sincerely appreciate the kindness extended us at the death of our beloved father and husband.

We are indeed thankful for the beautiful flowers, food and many other acts of kindness. We thank Brother Caperton for his help. May God bless each of you.

Mrs. A. R. Butler and Family.

Milam County Farmers To Bring Scrap Iron; Need For Steel Great

More steel is needed by industries of the nation engaged in building weapons for defense, as well as items for civilian use. New steel is approximately half scrap and half pig iron and reports from steel industry point out that supplies of scrap now on hand at the mills are dangerously low.

The Milam County Mobilization Committee, headed by Paul Graves is urging farmers to sell their scrap metal to local scrap or junk dealers. It will be passed on to steel producers and then channeled into the manufacture of defense weapons and civilian production.

Mr. Barr, manager of the Bell Salvage Co., in Cameron, has agreed to assist by furnishing a truck for those who need help in hauling in their scrap metal.

Prices are high enough for farmers to turn worn plow points and shares, cultivator shovels and sweeps, broken machinery parts, old storage batteries and other metals into profits if sold to the junk dealer.

Farmers should remember that scrap is also needed to make the new steel that is making more and better farm machinery.

Churchs Scheduled Joint Meeting Of Two

The membership of the St. John's and St. James Evangelical and Reformed Churches are scheduled to meet at the St. John Church at Burlington at 2 P. M., Sunday, October 28, for a joint meeting.

Hoyte HD Club Meets With Mrs. H. Wimberly

The Hoyte Demonstration Club met at the home of Mrs. Hugh Wimberly, Tuesday, October 16, for an all day meeting.

Nine members were present and eight guests were invited.

Mrs. Theo. Fuchs gave an unusual demonstration on corsages made of nylon hose. A number were made by the various members of the club.

A friendship quilt block was pieced by each on present and presented to Dottie Hanel.

Mrs. Alice Hughes, HD Agent, gave an interesting and educational demonstration on window curtains and upholstering, using charts in her demonstrations.

Officers for the coming year were elected: Mrs. M. H. Wimberly, president; Mrs. Virgil Coward, secretary; Mrs. J. O. Stewart, council delegate; Mrs. I. N. West, reporter; Mrs. M. A. Hearne, parliamentarian.

Two new club members are Mrs. Gertrude Harriss and Mrs. I. N. West.

Mrs. Hensley Hostess, Pleasure, Profit Club

Mrs. Roy Henslee was a recent hostess to the Pleasure and Profit Club at her home.

The autumn color scheme was carried out in decoration with mums being used.

Eight members and a number of guests were present for the meeting.

Mrs. W. T. Whatley presided over the business session. The theme of the club this year is, "International Relations." A unique arrangements of fans in different colors was centered on the dining table.

Guests for the afternoon were: Mrs. Wiley Loughmiller, Miss Winnie Henderson, Mrs. Maud Murphy, Mrs. Alvin Duek and Mrs Fred Dorby of Palestine.

The hostess served cake and coffee.

Recent guests in the home of Mrs. Lorene Boock of Temple, daughter of Mrs. Gussie Matula of Cameron were Mr. and Mrs. Sam Taylor and children, Gerry, Jane and Marie of Towando, New York. While in this area they also visited other friends. Mr. Taylor was formerly stationed at Fort Hood.

"Santa" Draws White Christmas

Famous artist Tore Asplund, winner of countless prizes, smiles with satisfaction at his "White Christmas" landscape.

Christmas comes once a year for most people, but throughout the spring and summer and fall, many "Santas" are hard at work getting ready the gifts that find their way round your Xmas tree.

Here is an example of how one "Santa" works in the off-season. Early this year, Chesterfield cigarettes started thinking about their 1951 "Christmas Card" carton. They decided upon a good old-fashioned white Christmas for a theme, and carefully selected one of the country's leading artists, Tore Asplund, to create the loveliest snow scene imaginable. The result is a heart-warming Christmas scene that dramatically conveys the Yuletide spirit. "Santa" Asplund is justly proud of his attractive cigarette gift that serves as a warm holiday greeting card as well.

When you open your gifts on Christmas morning, remember—the story of Santa working all year is no myth. Just ask Mr. Asplund.

Texans Urged To Vote Against Amendment H J R 6 November 6

The adoption of H J R 6 will reduce the amount of the check of every pensioner in Texas by adding more than 50,000 new pensioners to the roll. The amount to be paid out is fixed and the more checks you issue against it the smaller the checke will be.

The Federal Census Bureau, in 1949, showed 139,332 aliens in Texas. There are many more than that now. These people are mostly those who cannot qualify for citizenship, but under H J R 6 they could qualify for pensions. Under H J R 6 a person doesn't have to be a citizen to qualify for a pension. There can be no other construction given to this resolution.

Every person drawing a pension in Texas should vote against H J R 6.

Generally winter legumes, for the best results, should be planted by November 1. Time and soil moisture conditions are two factors that must now be considered by farmers who have not yet planted winter legumes.

Farm Bureau Meeting Well Attended

Over two hundred persons attended the general meeting of the Milam County Farm Bureau at the Simon-George Hall Thursday night, according to Mrs. Jesse Mae Wimberly, secretary.

A number of recreational games were enjoyed during the evening after which refreshments were served.

A number of reports from community chairmen for the current membership drive were given. Considerable interest has been created over the county concerning the progress of the Farm Bureau. People are realizing the value of organization.

The membership drive will continue through November 1.

The national average case rate for polio is 22.1 per 100,000 population.

Youth Organization Holds Song Festival

The Youth Organization of the C. M. B. Church at Buckholts entertained a group of 40 guests at a Fellowship song festival, Tuesday night, October 16.

Churches represented were Buckholts Lutheran Church, Buckholts Baptist Church, Ocker C. B. Church and South Elm Baptist Church.

After the program refreshments were served by Mrs. Anton Svetlik, and Mrs. Fred Gresak.

Ernest Orsag is president of the organization. Soloist for the evening was Raymond Posival with Mrs. Marie Petruy at the piano.

Group Attends Annual Missionary Conference

Mrs. John Henderson, Mrs. Mark Magers, Mrs. Leland Green, Sr., and Mrs. Lelia McAnally Batte attended the annual meeting of the Texas Conference of the WSCS, at Bryan, Wednesday, October 17.

The three day missionary conference began Tuesday, October 16.

Bishop Smith spoke at the Tuesday evening service. W. E. Horton is president. A number of other members of the church attended Tuesday.

B & P Women Club Plan Entertainment For Tuesday Nov. 6

The Business and Professional Women's Club has scheduled a party for Tuesday night, November 6, 7:30, according to Mrs. Loretta Brock, secretary.

The general public has a cordial invitation to come and join in the fun and activities at the party. There will be games of "42", Canasta and Bridge.

The party will be held at the club rooms and admission will be 25 cents per person. Refreshments will be served.

It has been the custom of in recent years to stage such an event. Funds derived from the party will be used for a number of worthy causes.

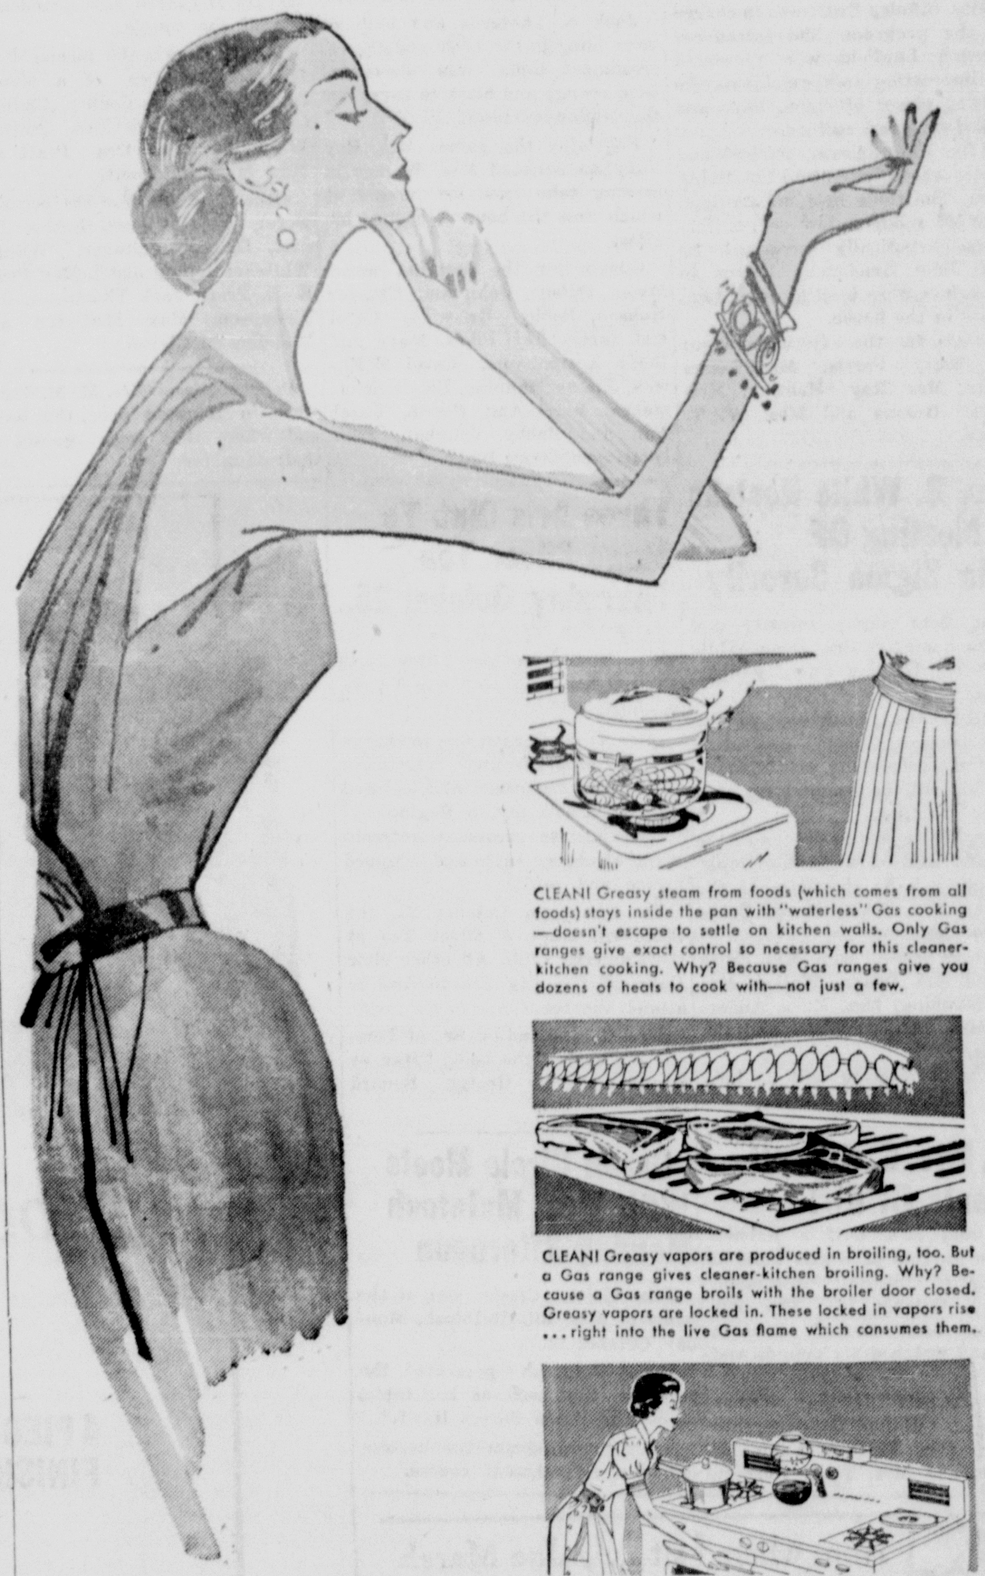
AUTOMATIC GAS RANGE Sale NOW ON!

Cleanliness counts most

To keep her kitchen utensils mirror-bright and her kitchen walls spotless is every homemaker's goal. Ninety-six out of 100 homemakers in this area cook with a Gas range. It is no secret that many of them choose Gas on the basis of cleanliness alone.



CLEAN! Greasy steam from foods (which comes from all foods) stays inside the pan with "waterless" Gas cooking—doesn't escape to settle on kitchen walls. Only Gas ranges give exact control so necessary for this cleaner-kitchen cooking. Why? Because Gas ranges give you dozens of heats to cook with—not just a few.

CLEAN! Greasy vapors are produced in broiling, too. But a Gas range gives cleaner-kitchen broiling. Why? Because a Gas range broils with the broiler door closed. Greasy vapors are locked in. These locked in vapors rise ...right into the live Gas flame which consumes them.

CLEAN! Today's automatic Gas range burners give pure stainless heat. And when spillovers happen, burners don't smoke up the kitchen by "burning-off" spilled foods. Instead they can be shut off instantly. Spilled foods are cleaned up with soap and water (for which every homemaker agrees, there is no substitute).

of course she has an automatic Gas range

SOCIETY *in The News*

Miss Helen Baldwin, Lester J. McCulloch Married Sunday

Miss Helen Baldwin, daughter of Mr. and Mrs. Lenard Baldwin of Cameron became the bride of N. Lester Joe McCulloch, son of Lester Joe McCulloch in a ceremony performed at the brides home at 3:00 p. m., Sunday, October 14.

Rev. Roy Gaines, uncle of the bride performed the single ring ceremony before members of the immediate family.

The bride wore a blue street length dress fashioned with sheered yoke, collar and the skirt fell into pleats. Her accessories were black and she wore a large pink carnation corsage. She carried out the traditional something old, new borrowed and blue.

Following the wedding the couple left for a wedding trip to Austin.

The bridegroom is in the U. S. Navy and at present is stationed at San Francisco. Mrs. McCulloch will remain in Cameron with her parents until her husband is permanently stationed.

Mrs. Charles Hicks, Recent Hostess To History Club

The Cameron History Club met at the home of Miss Winnie Henderson Tuesday afternoon with Mrs. Charles Hicks as hostess.

Mrs. Stanley Swift was in charge of the program. She introduced Morgan Layfield who presented an interesting talk on Japan. He showed pieces of china, linen and talked on pearl culture.

After the program members and guests were invited into the dining room. The table held an arrangement of small yellow chrysanthemums artistically arranged by Mrs. John Henderson. Coleus in fall colors were used at advantage points in the house.

Guests for the afternoon were: Mrs. Betty Ferris, Mrs. Leona White, Mrs. Roy Hensley, Mrs. George Graves and Mrs. W. T. Hanes.

Mrs. D. White Hostess At Meeting OF Beta Sigma Sorority

The Beta Sigma sorority met at the home of Mrs. Dean White in Green Addition Tuesday night October 23.

During the business session the Christmas home decorating and float decorating was discussed. This will be brought up at a future meeting.

Mrs. White was in charge of the program and used as her topic, "Happiness." At the close of the meeting Mrs. White served Cokes and cookies.

Members present were Mrs. Edith Starnes, Mrs. Deanne Walker, Mrs Esta Manning, Mrs. Elma Anderson Mrs. Lois Raymond and the hostess.

The next meeting will be held at the home of Mrs. Walker.

Mr., Mrs. G. Burnett Parents Of Girl

Mr. and Mrs. Griffin Burnett are the parents of a girl born at the Baptist Hospital, Beaumont, Tuesday, October 16. The new baby has been named Rebecca Lynn and weighed six pounds and 12 ounces.

Mrs. Burnett is the former Betty Jeane Shipp. Grandparents are Mrs. Dick Batte of Cameron, and Mr. and Mrs. Theo. Burnett

Miss Evelyn Jistel, W. C. Keith Married In Early October

Miss Evelyn Jistel, daughter of Mr. and Mrs. A. L. Jistel of Cameron became the bride of W. C. Keith. The groom is the son of Mr. and Mrs. W. C. Keith, Sr, of Cameron.

The double ring ceremony was performed at the Methodist church at Sinton on Saturday, October 6, with the pastor of the church reading the vows.

The bride wore a pink taffeta street length dress with grey net overskirt. Her accessories were grey and she carried a bouquet of orchids entwined with net.

Both the bride and groom are graduates of Yoe High School and are both employd in Sinton. They will make their home in Sinton after a short wedding trip.

Bill Walker Honored With Party On Eighth Birthday

Bill Walker, son of Dr. and Mrs. J. L. Walker, was honored with a party in observance of his eighth birthday, Monday afternoon at the home of his parents on North Jackson.

The spacious backyard was the scene for the entertainment and a number of little guests were invited to call during the afternoon.

Jack o- Lanterns and balloons were hung in the trees and the refreshment table was decorated with orange and black to carry out the Halloween motif.

Following the games Mrs. Roy Vaughan assisted Mrs. Walker in serving cake and ice cream at which time the honoree opened his gifts.

Guests for the occasion were; Diana Dubois, John and Chipper Hobson, Bobby Griswold, Carol and James Ray Fikes, Mary and Betty Kestenbaum, Carol McKewon, Jimmy Manning, Bertie Schumaker, Vera Ann Perrin, Carol Ann and Bobby Vaughan, Jean Lester and Glenn Blake.

Three Arts Club To Stage Silver Tea Thursday, October 25

Mrs. Dale Cheeves was a gracious hostess to the Three Arts Club at her home on North Travis, recently.

Mrs. O. B. Harden was in charge of the program and introduced Mrs. Mary Lawrence who lectured on the "Challenge to Beginners."

The hostess served a refreshment of cherry tarts and whipped cream and coffee.

On Thursday, October 25, the Club will stage a Silver Tea at the Cameron Club. All other civic clubs of the city are invited to attend the tea.

Mrs. G. V. Brindley, Sr., of Temple will review the book, "Man or Superman," by George Benard Shaw.

Green Circle Meets With Mrs. McIntosh Monday Afternoon

The Green Circle met at the home of Mrs. Bill McIntosh, Monday, October 22.

Mrs. McIntosh presented the program. She used as her topic, "How The Home Serves Itself."

After the program the hostess served a refreshment course.

Beta Sigma Sorority Stages Rush Party Monday Night

Theta Psi of Beta Sigma Phi Sorority held a rush party Monday night, October 15, at the B & P W Rooms, according to Mrs. Dorcas Smith.

Games of Canasta were enjoyed. All members were present for the occasion.

At the conclusion of the games chicken and spaghetti was served. The sorority was organized in 1937 with Mrs. Smith as charter president.

Guests during the evening were: Mrs. Louis McKee, Mrs. Charles Tillery, Mrs. Kenneth Elliott, Mrs. J. B. McKinney, Mrs. Dwight

Mr. And Mrs. Al Henry Celebrate Golden Wedding Anniversary,

Mr. and Mrs. Al Henry celebrated their Golden Wedding Anniverary Saturday, October 20, at their home in the Marlow community.

All of their children and a number of grand children and great-grand children were present for the happy occasion. All gathered at the home for a big dinner, the honoree's table held a large white cake decorated in yellow and topped with golden wedding bells, made by Mrs. Marie Thompson, a grand-daughter.

The table held a gorgeous arrangement of golden mums and lemon foilage presented to the honorees by Wesley Pratt and Margie McClaren also grandchildren of the couple.

Mrs. Henry is the former Pearl Harwick, member of a pioneer family of Milam County. Children of the couple are Mrs. Gertrude Whitaker, Mrs. Ora Pratt and Mrs. Myrtle Burnett.

Others present for the occasion were: Greer Burnett, Luther Burnett, Diane Whitaker, William Whitaker Bonny and LeRoy Pratt, E. E. Pratt, Jack Thompson, Gail Thompson, Max McClaren and Madeline McClaren.

Policemen and Mrs. M. M. Terry were in Houston over the week end where they were guests of their daughter.

C. Gilbert Honored With Birthday Party

Mr. and Mrs. Chesley Gilbert entertained many friends and relatives Sunday, October 21. The occasion was the 50th birthday of Mr. Gilbert.

A delicious barbecue dinn er was served. The honoree received many nice and useful gifts. His children presented him with a nice pocket watch.

Attending the affair were: Mrs. Ada Gilbert of Buckholts; Mr. and Mrs. W. H. Gilbert of Buckholts; Mr. and Mrs. Joe Tamasek, and son, Marvin of Cameron; Mr. and Mrs. N. D. Gilbert; Mr. and Mrs. O. C. Gilbert, all of Austin; Mr. and Mrs. Clarence Gilbert of Houston; Mr. and Mrs. N. J. Johnson of Cameron; Mr. and Mrs. J. W. Wright of Houston; Mr. and Mrs. Vernon Harris and son, Charles of Waco; Mrs. Viola Offield, Mr. and Mrs. Melvin Offield and family Mrs. Oscar and Luther Offield, of Rockdale; C. B. From where I sit ... *by* Joe Marsh

Guess They Felt Pretty "Sheepish"

My wife and I went to Central City Saturday for the football game and it was a top-notcher. But I began to wonder if it was worth the trouble when we got in a traffic jam coming home.

Traffic makes me mighty impatient. When I came to a side road that seemed to point towards the main highway, I turned onto it. This road bumps along for maybe a mile, then fetches up short by the railroad—a dead end.

So, I turned around and darned if there weren't twenty cars behind me! One driver had followed —figuring I knew a short cut—then a whole string of them swung after him, like sheep.

From where I sit, there's no sense in just "following along." Whether it's choosing a road, a movie star, or what beverage to drink at meal time, it's always better to make your own decisions. Personally, I often like a glass of beer with my dinner, but most of all, I like the freedom of making up my own mind about it!

Joe Marsh
